Visual Resources

Dear Ms. Miller:

On January 31, 2013, Applicant received an email request from CEC Staff seeking additional visual resources information. Specifically, Staff requested that Applicant provide original, high-resolution files for the photographic simulations for KOP 1 through KOP 5 that are presented in the AFC. Enclosed herein for docketing please find disks containing such information along with files supporting the photographic simulations docketed by Applicant on January 18, 2013 in response to Data Request 95. Due to the file size and types contained on the disks, Applicant is providing only a copy of this correspondence to the service list. Should any party wish to receive a copy of the disk, Applicant will provide a copy upon request.

Please contact me directly if you have any questions regarding this submittal

Respectfully submitted,
